DEDICATED CAREER SUPPORT

Heinz College treats career development as seriously as academics. The MISM program has dedicated Career Services Directors who work with MISM students to prepare them to secure employment, and our alumni have lifelong access to our services.

- One-on-one advising
- Resume and cover letter review
- Job and internship search strategies
- On-campus recruiting events
- Guest speakers and industry panels
- Professional development workshops
- Mock interviews
- Salary negotiation coaching
- Alumni networking and mentoring
- Study trips and other rich experiences

As a MISM student, you will meet one-on-one with your counselor to develop a personalized plan. Your counselor will work with you to develop networking skills, improve business etiquette, and prepare you to stand out in interviews. After you secure a job offer, your counselor will guide you through the negotiation and acceptance process. We are there with you every step of the way.
