

Reminder: the iDeans bi-monthly conference call: Thursday, NOVEMBER 20, 1 pm eastern, noon central, etc.

toll free call-in number: 877-607-8979

local call-in number: 244-7532

Agenda items:

- I. Jose-Marie Griffiths on the iConference planning
Because of the current economic situation worldwide, is it advisable to hold the conference now? Will the iSchools provide a financial guarantee to conference planners?
- II. Web site review
Maeve Reilly has been working on revamping the iSchools web site and a link will be sent out a couple of days before the meeting. Please review the site and provide feedback at the meeting. We will set a date for a formal rollout.
- III. Experts database proposal
John Unsworth previously sent a proposal from Ploughman for an iSchools experts database. Are the iDeans interested in pursuing that proposal? Other suggestions?
- IV. Maeve's operating budget
See attached. Currently at around \$5,000.
