

Dear participant,

Greetings from Borås!

We know that many are concerned about the spread of the COVID-19 virus. The iConference 2020 organizing team are closely monitoring developments. We wanted to reach out to you to let you know what we are doing to prepare for as safe a conference as possible.

Swedish authorities are not at present discouraging meetings or in other ways suggesting limitations to normal life. There have been some cases of infection in Sweden, but so far connected to people who have been travelling in those areas most affected. Identified cases have been quarantened. If you know that you will have been in high-risk areas during the two weeks before the conference, please contact the organizing team to see if we can arrange for remote presentation of your contribution(s).

More information and updates are available here:

<https://ischools.org/ischools-coronavirus-statement>

We are working closely with the conference venue, Borås Kongress, who are well aware of and implementing guidelines for hygiene standards. We will provide sanitation stations throughout the venue.

We are truly hoping that we will have a chance to see you at the conference in a few weeks! We have a great program!

Please feel free to reach out to us with any concerns at [iConf2020@hb.se](mailto:iConf2020@hb.se).

The iConference 2020 organizing team
