

Supporting the iConference 2020

More than 450 attendees are expected to attend the conference to share new research and ideas. Sponsors will have the opportunity to showcase their organization and reach top information professionals and influencers from academia, government, and industry.

As hosts, the **University of Borås** and **Oslo Metropolitan University** are helping to promote the innovative research and networking essential to the growth of this field. All sponsorship proceeds will support costs associated with iConference 2020.
